

## Collaboration is at the heart of everything that NEPO does

Our procurement solutions are the result of consultation with the public sector, suppliers and end users, so that we deliver positive outcomes for the communities we serve.

Our portfolio of over 70 solutions is available for use by any public sector body across the UK via our free associate membership scheme.

## Experts in energy procurement

NEPO is one of the largest energy buyers and providers of energy solutions to the public sector. We work closely with our members to ensure that our solutions meet the needs of the public sector and can adapt in line with market and legislative demands.

A wide range of public sector organisations use NEPO's energy solutions including local authorities, schools, colleges and universities, NHS and emergency services.

NEPO undertakes all contract management to ensure that customer needs are met; an approach that was recognised at the National GO Awards, where our energy team scooped the award for Supplier Relationship Management.

“NEPO's energy solutions not only cover the supply of utilities, but has equal focus on how our customers are using electricity, gas and water. This demand-side aspect is crucial in helping the public sector reduce consumption, meet decarbonisation targets and drive efficiencies”

**Marie Forster,**  
Energy Lead at NEPO

# OUR ENERGY SOLUTIONS

## Electricity (Ref: NEPO301)

NEPO301 Electricity is delivered in partnership with EDF Energy. The framework agreement allows public sector organisations to purchase their electricity on a fully flexible basis from the wholesale market or, if preferred, using a fixed price, fixed term contract.

**Start:** 01/04/2019

**End date:** 31/03/2023

## Gas (Ref: NEPO302)

Supplied by Corona Energy, NEPO302 covers the supply of gas and associated services, such as meter installation and budget forecasting. NEPO members have the choice to adopt fixed price or flexible purchasing.

**Start:** 01/04/2021

**End date:** 01/04/2026

## Water Retail Services (Ref: NEPO311)

Delivered in partnership with Wave, NEPO311 provides water supply and sewerage services to eligible non-household customers in accordance with the Water Act 2014.

**Start:** 01/04/2021

**End date:** 31/03/2025

## Meter Operator Services (Ref: NEPO303)

NEPO303 includes the supply, registration and maintenance of utility meters, and associated communications requirements. The solution features a sole supplier, Western Power Distribution Smart Metering Ltd.

**Start:** 01/04/2022

**End date:** 31/03/2028

## Energy Performance of Building Inspections (Ref: NEPO305)

NEPO305 helps public sector organisations meet the requirements of the Energy Performance of Buildings Directive (EPBD). The solution covers domestic energy performance certificates, commercial energy performance certificates, display energy certificates and air conditioning inspections.

**Start:** 01/02/2021

**End date:** 31/01/2025

## Liquid Fuels (Ref: NEPO307)

NEPO307 covers the supply of diesel, gas oil, petrol, kerosene, AdBlue and Hydrotreated Vegetable Oil (HVO) to public sector sites across the UK.

**Start:** 01/11/2021

**End date:** 31/10/2025
