

# AN INTRODUCTION TO: NEPO408 LIFTS & ESCALATORS

PROCURING FOR YOU

## OUR PURPOSE

**Collaboration is at the heart of everything that NEPO does.**

Our procurement solutions are the result of consultation with the public sector, suppliers and end users, so that we deliver positive outcomes for the communities we serve.

We offer a wide range of solutions which cover categories such as Construction, Energy, Fleet and Professional Services. Our portfolio of over 70 solutions is available for use by any public sector body across the UK via our [free associate membership scheme](#).

## OVERVIEW

NEPO408 Lifts and Escalators features eleven suppliers able to maintain, repair and refurbish lifts, escalators and related equipment. The framework agreement is available for use by public sector organisations across the UK.

NEPO408 has been awarded on a non-ranked basis, meaning public sector buyers can appoint the supplier who best meets their needs. This can be achieved through direct award or via further competition depending on individual requirements.

**Start date:**  
31 August 2021

**End date:**  
31 August 2025

**Available for use by:**  
Any public sector body  
in the UK

# BENEFITS

- Call off can be made directly with any supplier, removing the need to conduct full tender exercises or lengthy supplier evaluations.
- As with all NEPO solutions, NEPO408 is fully compliant with the Public Contracts Regulations 2015.
- The suppliers awarded to the framework have already been assessed for their track record, experience, technical and professional ability, giving public sector buyers the confidence to procure with no further vetting.
- Pre-agreed terms & conditions and safeguards underpin all contracts placed under the framework agreement.
- Professional procurement support is on hand. NEPO408 covers all procedural compliance matters on your behalf, but NEPO knows that sometimes specific guidance, advice or assistance is required, and we are here to help.
