

AN INTRODUCTION TO: NEPO207 CONSTRUCTION WORKS

OUR PURPOSE

Collaboration is at the heart of everything that NEPO does.

Our procurement solutions are the result of consultation with the public sector, suppliers and end users, so that we deliver positive outcomes for the communities we serve.

We offer a wide range of solutions which cover categories such as Construction, Energy, Fleet and Professional Services. Our portfolio of over 70 solutions is available for use by any public sector body across the UK via our [free associate membership scheme](#).

OVERVIEW

NEPO207 Construction Works has been developed through extensive market engagement with regional and national suppliers. It is a fully compliant framework available for Contracting Authorities both in the North East and across the UK.

The framework includes a diverse range of contractors from North East based SME's to large nationals across the ten lots which provides Contracting Authorities with choice. We have built in maximum flexibility with both direct award and further competition options, there is an ability to undertake Expressions of Interest, have Early Contractor Involvement, appoint via a 1 or 2 stage process.

Construction Works can include projects such as new build and/or extensions and/or improvements and/or renovations/ refurbishment of:

- Schools
- Libraries and Leisure facilities
- Civic buildings
- Historic buildings
- Commercial buildings
- Universities and Further/ Higher Education establishments
- Health care buildings
- Housing
