

AN INTRODUCTION TO: NEPO231 Highways and Civil Materials

OUR PURPOSE

Collaboration is at the heart of everything that NEPO does.

Our procurement solutions are the result of consultation with the public sector, suppliers and end users, so that we deliver positive outcomes for the communities we serve.

We offer a wide range of solutions which cover categories such as Construction, Energy, Fleet and Professional Services. Our portfolio of over 70 solutions is available for use by any public sector body across the UK via our free associate membership scheme.

OVERVIEW

NEPO231 Highways and Civil Materials provides public sector organisations with a compliant route to market for the requirements of highways and civil materials. Sub-regional lots have been included to ensure it responds to the changing needs of the public sector and engages with the SME contractor market.

BENEFITS

- Suppliers have been pre-assessed for their experience, technical and professional ability, giving you the confidence to procure with no further vetting.
- Suppliers are monitored by NEPO via regular contract management.
- Ability to direct award.
- Ability to undertake further competitions.
- Pre-agreed rates, terms and conditions, and safeguards underpin all contracts placed under the framework.
- Our team are always on hand to give advice and guidance throughout the procurement process.
