

AN INTRODUCTION TO: NEPO210 HIGHWAY SURFACING

PROCURING FOR YOU

OUR PURPOSE

Collaboration is at the heart of everything that NEPO does.

Our procurement solutions are the result of consultation with the public sector, suppliers and end users, so that we deliver positive outcomes for the communities we serve.

We offer a wide range of solutions which cover categories such as Construction, Energy, Fleet and Professional Services. Our portfolio of over 70 solutions is available for use by any public sector body across the UK via our free associate membership scheme.

OVERVIEW

NEPO210 Highway Surfacing solution enables Contracting Authorities to appoint suppliers to deliver planned and reactive structural maintenance work programs for resurfacing or carriageways and footways.

BENEFITS

- Transparency of ceiling rates for each supplier
- Fully compliant route removing the need to undertake your own procurement process
- Suppliers are continually assessed through NEPO's contract management
- Ability to run further competition between suppliers within each lot to maximise choice & achieve value for money against your requirements
- Ability to award to first ranked supplier for a quick route to market
- Ability to measure social value via the TOMS toolkit your specific requirements in your local area
