

AN INTRODUCTION TO: NEP0221 ASBESTOS REMOVAL WORKS

OUR PURPOSE

Collaboration is at the heart of everything that NEPO does.

Our procurement solutions are the result of consultation with the public sector, suppliers and end users, so that we deliver positive outcomes for the communities we serve.

We offer a wide range of solutions which cover categories such as Construction, Energy, Fleet and Professional Services. Our portfolio of over 70 solutions is available for use by any public sector body across the UK via our free associate membership scheme.

OVERVIEW

This solution covers asbestos management and offers a compliant route to market for the removal of licenced and non-licenced ACM's within both private and public dwellings. This solution previously covered Demolition and Asbestos Surveying however now is in place to cover Asbestos Removal only until December 2023.

BENEFITS

- Suppliers have been pre-assessed for their experience, technical and professional ability, giving confidence to procure with no further vetting.
- NEPO are on hand to give advice and guidance as required
- Contracting Authorities can appoint suppliers via Further competition or Direct Award
- Pre-agreed rates, terms and conditions, and safeguards underpin all contracts placed under the framework.

Start date:

1 September 2017

End date:

31 December 2023

Available for use by:

Any public sector body in the UK
