

# AN INTRODUCTION TO: NEPO302 GAS

PROCURING FOR YOU

## OUR PURPOSE

**Collaboration is at the heart of everything that NEPO does.**

Our procurement solutions are the result of consultation with the public sector, suppliers and end users, so that we deliver positive outcomes for the communities we serve.

We offer a wide range of solutions which cover categories such as Construction, Energy, Fleet and Professional Services. Our portfolio of over 70 solutions is available for use by any public sector body across the UK via our [free associate membership scheme](#).

## OVERVIEW

NEPO's Energy category has a suite of energy solutions that are accessible by the UK public sector. Each can be used independently or, when implemented together, provides a one-stop-shop for utilities and ancillary energy services.

NEPO302 Gas provides public sector organisations with access to a gas supply contract and associated services.

The framework agreement allows individual sites to join or, more commonly, the entire public sector organisation's estate. Currently a wide range of organisations use NEPO302 Gas including:

- Local Authorities
- Schools and academies
- Emergency services
- Universities

**Start date:**  
1 April 2020

**End date:**  
1 April 2026

**Supplier:**  
Corona Energy

**Available for use by:**  
Any public sector body in the UK

# ABOUT CORONA ENERGY

NEPO appointed Corona Energy as sole supplier to the framework agreement.

Corona Energy is a leading independent gas and electricity supplier with over 20 years' experience servicing UK businesses. They currently supply 14% of the industrial and commercial gas market with around 13,000 customers across gas and electricity and over 85,000 meters.

## THE BENEFITS

NEPO is one of the largest energy buyers within the public sector and has a dedicated energy team with a wealth of experience in providing energy solutions.

- **Fully flexible purchasing:** The NEPO Energy Team has a wealth of experience in purchasing both electricity and gas from the wholesale commodity market using a fully flexible agreement.
- **Fixed contracts:** NEPO302 Gas includes the option to place fixed price gas contracts, with a variety of different contract terms available.
- **Dedicated account management and contract management team:** Corona Energy and NEPO work together to provide a professional, comprehensive and hassle-free service to customers.
- **Energy cost forecasting and budget certainty:** NEPO publish regular energy cost forecasts to assist customers with their budget setting processes. In addition to the use of fixed contracts, budget certainty can also be provided by NEPO via fully flexible purchasing.
- **An online query management system:** Access to the Corona Energy online query management system "My Corona".
- **Provision of Automatic Meter Reading (AMR):** The installation and access to data from AMR.
