

SUPPORT FOR EDUCATIONAL SETTINGS

NEPO508 Agency Staff

NEPO508 Agency Staff allows public sector organisations to appoint temporary workers to support a range of activity, including rapid coronavirus testing.

The solution is available for use by the UK public sector including schools, academies, higher education, further education and local authorities.

To date NEPO508 Agency Staff has been used by public sector organisations to appoint a range of agency staff including healthcare professionals, teachers, school staff and more.

How it works

Procured by NEPO in accordance with legislative requirements, the solution was awarded to **Geometric Results Inc** (GRI) in 2018.

GRI act as a neutral vendor partner. This means that GRI take on the management of an organisation's temporary workers, fulfilling vacancy requirements using extensive panels of approved recruitment agencies.

A neutral vendor is an independent advisor with complete neutrality and no conflicts of interest. In this role, GRI focus solely on the capability of suppliers to ensure that client requirements are met.
