

AN INTRODUCTION TO: NEPO307 LIQUID FUELS

OUR PURPOSE

Collaboration is at the heart of everything that NEPO does.

Our procurement solutions are the result of consultation with the public sector, suppliers and end users, so that we deliver positive outcomes for the communities we serve.

We offer a wide range of solutions which cover categories such as Construction, Energy, Fleet and Professional Services. Our portfolio of over 70 solutions is available for use by any public sector body across the UK via our [free associate membership scheme](#).

OVERVIEW

NEPO's Energy category has a suite of energy solutions that are accessible by the UK public sector. Each can be used independently or, when implemented together, provides a one-stop-shop for utilities and ancillary energy services.

NEPO307 Liquid Fuels covers the supply of the following fuels to public sector sites:

- Diesel
- Gas Oil
- Petrol
- Kerosene
- AdBlue
- Hydrotreated Vegetable Oil (HVO)

A range of ancillary services can also be accessed through the framework agreement, such as access to alternative fuel sources (hydrotreated vegetable oil, marine oil and biofuels), fuel cards, tank management systems, tank polishing and tank installation services.

ABOUT YourNRG

NEPO307 Liquid Fuels features a sole supplier, YourNRG.

YourNRG is a fuel supply and distribution business, based in Hartlepool and with depots across the UK. Since the company's incorporation in 2007, YourNRG has grown significantly with the capacity to distribute domestic, commercial, agricultural and marine fuels. As part of this growth, the business has undertaken continued investment in market-leading customer service, communications, vehicles, fleet technology and personnel.
