

# AN INTRODUCTION TO: NEPO211 CIVIL ENGINEERING & INFRASTRUCTURE WORKS

## OUR PURPOSE

**Collaboration is at the heart of everything that NEPO does.**

Our procurement solutions are the result of consultation with the public sector, suppliers and end users, so that we deliver positive outcomes for the communities we serve.

We offer a wide range of solutions which cover categories such as Construction, Energy, Fleet and Professional Services. Our portfolio of over 70 solutions is available for use by any public sector body across the UK via our [free associate membership scheme](#).

## OVERVIEW

NEPO211 Civil Engineering & Infrastructure Works provides UK public sector bodies with a collaborative approach to procuring construction and engineering related projects.

## THE BENEFITS

- Contractors have been pre-assessed for their experience, technical and professional ability, giving you the confidence to procure with no further vetting
- Our team are always on hand to give advice and guidance throughout the procurement process
- Public sector buyers can appoint suppliers via further competition or direct award to access flexibility and choice
- Pre-agreed rates, terms and conditions, and safeguards underpin all contracts placed under the framework

**Start date:**

3 March 2021

**End date:**

2 March 2025

**Available for use by:**

Any public sector body in the UK
