

# AN INTRODUCTION TO: NEPO219 BUILDING MATERIALS

PROCURING FOR YOU

## OUR PURPOSE

**Collaboration is at the heart of everything that NEPO does.**

Our procurement solutions are the result of consultation with the public sector, suppliers and end users, so that we deliver positive outcomes for the communities we serve.

We offer a wide range of solutions which cover categories such as Construction, Energy, Fleet and Professional Services. Our portfolio of over 70 solutions is available for use by any public sector body across the UK via our free associate membership scheme.

## OVERVIEW

NEPO2019 Building Materials solution is a multi-provider Dynamic Purchasing System (DPS) for the supply of building materials, managed stores and modular buildings. The solution has been let with The Procurement Partnership Ltd (TPPL) acting as a partner to NEPO.

The DPS suits planned maintenance activity due to the requirement to conduct a further competition when calling off from the solution.

Contracting authorities are responsible for conducting their own call-offs under the DPS to meet their specific requirements for building materials.

## BENEFITS

- Compliant route to market, you don't need to undertake a procurement process.
- Access to a wide variety of suppliers across the categories.
- New suppliers can register on the DPS at any time (subject to meeting requirements).
- TPPL run further competitions, free of charge, on your behalf.
- Quick route to market.

**Start date:**

3 February 2020
