

AN INTRODUCTION TO: NEPO221 DEMOLITION WORKS AND ASSOCIATED SERVICES

OUR PURPOSE

Collaboration is at the heart of everything that NEPO does.

Our procurement solutions are the result of consultation with the public sector, suppliers and end users, so that we deliver positive outcomes for the communities we serve.

We offer a wide range of solutions which cover categories such as Construction, Energy, Fleet and Professional Services. Our portfolio of over 70 solutions is available for use by any public sector body across the UK via our free associate membership scheme.

OVERVIEW

NEPO221 Demolition Works & Associated Services provides public sector organisations with access to demolition, asbestos surveying and analytical services.

The framework includes a diverse range of contractors from North East based SME's to large nationals which provides choice to Contracting Authorities. The framework is divided into lots based on the category of services required and we have built in maximum flexibility with both direct award and further competition options.

BENEFITS

- Suppliers have been pre-assessed for their experience, technical and professional ability, giving confidence to procure with no further vetting.
- Suppliers monitored by NEPO via regular contract management.
- NEPO are on hand to give advice and guidance as required.
- Contracting Authorities can appoint suppliers via:
 - Further competition
 - Direct Award (ranked)
 - Direct Award (flexible)
- Pre-agreed rates, terms and conditions, and safeguards underpin all contracts placed under the framework.
